

Download Porsche 993 1996 Repair Service Manual

The Porsche 993 is the internal designation for the Porsche 911 model manufactured and sold between January 1994 and early 1998 (model years 1995–1998 in the United States), replacing the 964. Its discontinuation marked the end of air-cooled Porsches. The 993 was much improved over, and quite different from its predecessor. According to Porsche, every part of the car was designed from the ... Welcome to our Porsche 993 and 964 Technical Articles section. We've gathered a vast collection of useful articles to help you perform many repairs and upgrades on your Porsche 911. The Porsche 993 Carrera RS was a lightweight variant of the Carrera that was produced between 1995 and 1996. It was stripped of anything that was deemed unnecessary including soundproofing and rear seats, shaving 100kg off the standard Carrera weight.
