

Download The Estrogen Alternative Natural Hormone Therapy With Botanical Progesterone

Oregon Natural Medicine provides naturopathic services, holistic healthcare, and hormone therapy. Call today for a free consultation! We're now more than a decade past the Women's Health Initiative and the fear of health implications with Hormone Replacement Therapy (HRT), and there's new information, new research, and more attention on Bioidentical hormones. Bioidentical hormones are formulated in a lab with the same molecular structure as the hormones we make in our own bodies.

A.C.E.+-ADRENAL CORTEX EXTRACT (SUBLINGUAL) ** Adrenal cortex extract exhibits a biological activity equivalent to that of 100 micrograms of hydrocortisone, and it contains a suitable antibacterial agent. The adrenal extract has shown more effective in management of adrenal insufficiency and hypo-function of the adrenal gland, adrenal cortex extracts correct the abnormality in carbohydrate ...

The combined oral contraceptive pill (COCP), often referred to as the birth control pill or colloquially as "the pill", is a type of birth control that is designed to be taken orally by women. It includes a combination of an estrogen (usually ethinylestradiol) and a progestogen (specifically a progestin). When taken correctly, it alters the menstrual cycle to eliminate ovulation and prevent ...
